

A Leadership Guide For Elementary Students

41 years ago, Terry Fox set an incredible example of leadership that will never be forgotten. He faced many challenges along the way and yet remained determined to reach his goal and make a difference in the lives of those suffering from cancer. Today, students across Canada continue to follow in his footsteps, empowered to carry on his legacy and set goals of their own. There was no limit to Terry's try. Now is the time to ask ourselves, what would our biggest "Terry Try" look like?

Some helpful tips:

Use this guide to help you lead, plan and promote your Terry Fox School Event. Be sure to check with your teacher in charge or principal for approval and permission to take the next steps. Keep an eye out in each section for **"Helpful Tips At a Glance"** to find quick tips and online resources.

How to Fundraise

1. Share your school's fundraising page link: Your teacher in charge of your event has received an email from us with your school's fundraising link. Ask your teacher to email it to your school community and post it on your school website and social media. There is no minimum donation. Every dollar counts!

2. Encourage other students to set up their own fundraising page: Students can set up their own page under your school name and share their link with friends and family. All donations made on a student page will automatically be added to your school's total! Boost your personal fundraising by taking up a ["Try Like Terry" Challenge](#). Simply pick any fun activity to support your fundraising and "Try like Terry"! New for this year, students can even work towards achieving fun digital fundraising badges to help them reach a goal!

3. Set up classroom teams for a friendly competition: Just like students, classrooms can take up a "Try Like Terry" Challenge with another classroom and [set up their own page as well](#). Give your classroom a fun name and get everyone to share the link to add to your school's total. New for this year, classrooms can achieve fun [digital fundraising badges](#) too!
