EVENT TIPS FOR SCHOOL RUN ORGANIZERS

Mark the date: **Friday, September 23, 2022** (or any day that works for you!)

Fundraising Made Easy

Please keep an eye out for an email from us! In it, you will find your school's custom fundraising link which is live and ready to go!

Share the link on your school website, social media or by email to parents. Students and classrooms can get on board by setting up their own page under your school page as well! See "Event Tips for Classroom Teachers" insert in this toolkit to share.

Don't forget! Pledge sheets are also available this year to help collect cheque or cash donations. (Provided in your kit or downloadable at terryfoxschoolrun.org.)

Log in to terryfoxschoolrun.org to edit your school page with pics or messages and track your school's progress.

As the organizer for your school event, you can log in to terryfoxschoolrun.org to edit your school's page with a message or pics for students and donors.

"Try Like Terry" Challenge

Terry said, "Anything is possible if you try", so this year why not take the "Try Like Terry" Challenge and get everyone involved? Students can take part individually, and classrooms can "try" a friendly competition or even host a school-wide challenge! The options are endless! See the "Try Like Terry" Challenge insert in this toolkit for more info or visit terryfoxschoolrun.org.

Book a Virtual Meet-Up with Terry's Brother, Fred

Join schools across Canada and register for an online Meet-Up with Fred Fox! Inspire and motivate your students as Fred shares his memories of growing up with Terry and his brother's legacy to raise funds for cancer research. To register, please go to: terryfoxschoolrun.org.
